ADD YOUR PHONE NUMBER HERE _____

BOOTH SPACE # _____

ENTRY POINT ANIMAL _____

PARKING LOT ASSIGNMENT _____

• No Backing up or driving against traffic. If you miss your booth space or pass your parking area, you will need to continue driving out of the event area and return to the entry point to follow the path back to parking.

SET UP TIME _____

• Artists may be allowed in earlier depending on traffic congestion. • If you plan to dolly instead of drive in, you must be in your lot by 3:30PM or police may not allow you into the event area. Dollying artists may walk items to their space but do not start setting up until you get the "All Clear." • If you plan to set up Sat morning, you may drive in before 8am. No need to Dolly on Sat or Sun. Vehicles must be out by 8:15am.

• The painted booth number on the curb goes in the BACK CENTER of your booth. Double booths can configure differently. • Weight tents for 40mph gusts before leaving! • Be courteous. If your vehicle is unloaded, Go PARK and then return on foot to complete set up to relieve traffic congestion.

The event ends on Sunday at 4pm. DO NOT BREAK DOWN EARLY!
