

Check In at MDCA
 847 E. 5th Ave
 Mount Dora, FL
 Fri 2-6PM / Sat 6-8:15AM

Notes:
 Pick up your Pass and Booth card at CHECK IN.
 Enter the event at the ENTRY POINT ONLY. Do not go against the traffic flow on the map!
 If you plan to Dolly (Walk items in early from your parking area), be in your "lot" between 3:15-3:45PM. You may walk items to the curb or sidewalk at your booth space. Do not start setting up until you get the All Clear!

Check your booth number BEFORE setting up!
 Does your booth number have a LETTER in front of it? If you are set up in the wrong space, you may need to break down and move.

Streets are tight. Be courteous. Unload, go park, return on foot to complete your set up.
 You may need to drive around the event to get back to your parking area. An "S" on the lot number means Street parking. Overflow parking is in 10 and 16.

The event ends on Sunday at 4PM. DO NOT break down early.
